ACCEPTED

rec'd 5/7
from B. Prather

NEW STATE RECORD

UNUSUAL RECORD

Please print or type. Attach photographs and additional pages if necessary.

Species: Zenaidura macroura
(Vernacular Name) (Scientific Name)Date(s): During first week of September 2000Number of birds seen: 1 Sex: _____ Plumage: _____Locality: Tecim backed Elevation: 6500 ft.Nearest town: Durango Colorado County: La PlataTime(s) observed: different times during 2 day periodDuration of observation (e.g. 1 sec., 5 min., etc.): 30 minutes perched in tree for long periods at a time

Other observers who saw the bird with you (give names, addresses, telephone numbers):

Andrew Janowsky (Husband)

Other observers who saw the bird independently (give names, addresses, telephone numbers):

Light conditions (position of bird to light and shade, direction and strength of light):

See attached photo taken from dining room windowOptical equipment used (e.g. power, types): Nikon 7-15x35 binocularsDistance, and how measured: 30 feet (approx.)If photographed, type of equipment and film: 35mm Minolta 3xi cameraWho else photographed the bird? Nobody

Describe the bird's behavior (e.g. flying, feeding, or habits used in identifying):

feeding

Describe in detail the bird's relative size, overall shape, plumage and color pattern. Include details of bill, wing and tail shape. Give particular emphasis to marks you used to identify the bird. Reference to its resemblance to field guide descriptions and illustrations is not enough. Describe only what you actually observed in the field:

See attached photo

Description (continued):

Describe the bird's song and call, if given, including method of delivery, (i.e. from perch, in flight, duration):

None

Describe the general and specific habitat in which you observed the bird:

backyard feeder

How did you eliminate similarly appearing species?

looked just like picture in the book

What is your prior experience with this and similarly appearing species?

Have regular doves. Noticed this one looked different. Checked bird book

List books, illustrations, recordings, other birders, etc. consulted and how this influenced your identification:

- a) at time of observation: Audubon Society Field Guide to North American Birds
b) after observation:

This report was written from reports made during _____, after observation X from memory X

Date and time report was written: Nov. 20, 2000

Reporting observer: Linda Janewsky

Signature: Linda Janewsky

Address: 281 Valley place
